The minutes of the last meeting held May 26 were read, approved as read and so endorsed by the Mayor.

PUBLIC HEARINGS -

Amy L. Boynton, representing Lodi Coordinating Council formally presented the report of Youth Services in the Lodi Area prepared under the REPORT auspices of California Youth Authority. Copies of the report were furnished each Councilman and one for the record. Mayor Rinn voiced the appreciation of the Council and assured the Coordinating Council that the report SERVICES would be made a guide in future plans of the City for the youth of Lodi PRESENTED and the Lodi area.

COMMUNICATIONS -

DIV. HIGHWAYS RE FRANCHISES The local district office of the Division of Highways requested by letter that the District Engineer be informed if and when any public utility should apply for a new franchise or renegotiating of existing franchises involving use of public streets as some applications had been made in other cities that placed new burdens on the municipality.

RAT CONTROL MEETING Notice of a meeting to be held in Stockton, June 10 seeking coordinated efforts for rat control was read.

PRELIMINARY REPORT ON WATER CONDITIONS City Engineer Heckenlaible presented copies for each Councilman of a preliminary report on ground water conditions in the Mokelumne River area as prepared by the State Division of Water Resources. This report contains an estimate of the cost of a complete survey.

POUNDMASTER REPORT F. E. Cooper's report as City Poundmaster for the month of May was read together with a comparison of 1948 and 1947 pet licenses issued to date prepared by the City Treasurer-Collector. Mr. Webb also submitted a memorandum of parking meter collections.

PARKING METER COLLECTION It appearing that the present method of collecting and packaging parking meter moneys is not satisfactory and that the loss of the High School student now packaging coins due to close of the school year would make a change necessary, it was directed that the present collector continue as in the past but for a period of thirty days, all coin packaging should be performed in and by the police department, that department to deposit the packaged coin in F. and M. Bank to the credit of the City Treasurer.

PARKING SURVEY At the suggestion of Councilman Bull that parking meter zones be extended to the business district east of the Southern Pacific reservation, it was moved by Councilman Tolliver, Haskell second, that the Street Superintendent make a survey and report on parking conditions along Main Street, Elm to Walnut Street, on Pine and Elm, Main to Stockton Street and on Oak Street from Sacramento to Church Street to ascertain if additional meters or changes in parking regulations are warranted.

MORE ABOUT EUREKA AVENUE OPENING The suggestion of the City Engineer that proper drainage of Eureka Avenue in Ware's Subdivision could only be had by opening that street to California Street resulted in this problem being submitted to the City Attorney for review of past action and negotiating with the property owner affected for right of way.
